## Concurrent events

 <b>Date</b> Jul. 17 Thu. <b>Venue</b> FMI EXPO Main Stage in Hall 6 Zone A (Capacity:200)	* Audience registration at <a href="https://fmiexpo.nikkan.co.jp/">https://fmiexpo.nikkan.co.jp/</a> * No LIVE streaming. * Walk-in admission will be accepted if seats are available.	<b>Registration required</b>	<b>Free</b>
4 sessions as follows will be arranged in cooperation with Basi (German Federal Association for Occupational Safety and Health) that organizes top-rated conference programme at A+A in Düsseldorf/Germany - the world's leading trade fair for Safety, Security and Health at work.			
<b>11:00~12:00</b>	<b>Status Quo and Prospects for the Smart PPE in Europe</b>	<b>M-04</b>	
The global market for smart PPE (personal protective equipment) with the application of evolving IoT technologies is expected to grow at a CAGR of more than 10% and is projected to reach USD 10 billion by the early 2030s. This section presents the status quo and outlook of smart PPE, as well as the featured products and technologies.			
<b>12:30~13:30</b>	<b>What Kind of Safety Shoes and Workwear are required at Working Sites?</b>	<b>M-05</b>	
How can everyone feel a sense of pride and joy plus work in good health at working sites? Here safety shoes and workwear will be addressed which could eventually contribute to improving well-being.			
<b>14:00~15:00</b>	<b>Exoskeleton by Fraunhofer IPA (Fraunhofer Institute for Manufacturing Engineering and Automation)</b>	<b>M-06</b>	
Fraunhofer IPA, one of the largest institutes of the Fraunhofer-Gesellschaft that has 75 institutes and independent research units in Germany and is the largest organization for applied research in Europe, will present on the exoskeleton (assistive suit), which is now in the spotlight. Please join this session where you can see the differences between Europe and Japan!			
<b>15:30~16:30</b>	<b>Challenges of Taiwanese Companies in the Global Market / Expanding the Business at A+A</b>	<b>M-07</b>	
The presence of Taiwanese companies has been increasing in the global occupational safety and health market. This is a great opportunity to find out how they are entering the European market and steadily expanding their business. Additionally, A+A - the world's leading trade fair for Safety, Security and Health at work - that will be for the next time held 4- 7 November 2025 in Düsseldorf/Germany will be presented.			
<b>Talk &amp; Show</b>	<b>Registration required</b>	<b>Free</b>	Exhibitors will present their products and services in a variety of styles - for instance, presentations, discussions and shows. Additionally, Fraunhofer IPA (Fraunhofer Institute for Manufacturing Engineering and Automation) together with the exhibitors at EXO STREET will hold sessions about exoskeleton (assistive suit) on this stage.
<b>Venue</b>	Talk & Show Stage in Hall 6 Zone B		

This information is as of April 22. Please visit the website for more details.
